

Introducing!

Wear-N-Write

The World's First Wearable Dry Erase Notepad for Busy People On the Go.

Wear-N-Write is the revolutionary, stylish, and durable way to organize temporary information. Wear-N-Write is a dry erase board that you wear on your wrist. With a comfortable elastic wristband you can adjust it to fit any size wrist or forearm. The set includes a medium point, low odor, non-toxic, long lasting, black, dry erase board pen. For your ease and convenience, the pen's cap also includes a built-in eraser. And with the exclusive Never-Lose-Clip clip, your pen and eraser will always be handy and available as it is attached right to your board. The bright, vivid, non-toxic ink is quick-drying, smear-proof, and provides consistent color quality.

- **Dependable dry-erase whiteboard has a smooth writing surface**
- **Adjustable. Fits any size wrist.**
- **Ideal for both business and personal use**
- **Board's writing area is a large 3.25W x 2.25H inches and includes a dry-erase marker**
- **Erases cleanly and easily with included eraser**
- **Lightweight at only 2.4oz**

Wear-N-Write, is perfect for:

- **Contractors and tradesmen to quickly record measurements and dimensions.**
- **Nurses and EMT's to record vital signs and make quick notes of times and medicine amounts.**
- **Pilots to jot down weather, runway, and departure & arrival information. (Great addition to your knee board.)**
- **Drivers to quickly capture notes and directions.**
- **Retail workers to make notes of customer telephone numbers. No more taking notes on your hand.**
- **Teachers to make a quick reminder note.**
- **It is also great around the house while doing chores. and More!**
